Props –

The nature of this type of act is their ability to perform with virtually any everyday item that is capable of making noise. Typical Rhythm Extreme engagements include trash cans, brooms, drumsticks and tap dancers.

Option:

- If client wishes act to incorporate specific client related props into the show, they must provide the props to the act at least 14 days prior to the event. The props WILL be returned to client if desired, but some damage may occur from drumsticks beating on them. Purchaser is responsible for all shipping charges to Act and to forward on to Venue in the event props are too large for Act to transport.
- There is NO additional charge for adding client related props to any Rhythm Extreme show
